

Simplify Savings with PB Fusion®

fully integrated PBM & discount card solution

PB Fusion finds the lowest prescription cost source at the point of sale, taking into account your responsibility & total prescription cost. No implementation, no member disruption, no added fees! Just savings for you!

Seamless Benefit for You

PB Fusion compares and finds the best deals for you at the point of sale!

- Your current member plan ID card is all you need
- You no longer use discount cards
- No more pre-shopping for best price
- No more printing coupons
- No more online prescription programs

How does PB Fusion work?

Your member ID card has all the information that your pharmacy needs to fill your medications. When the pharmacy submits your claim, PB Fusion finds the lowest cost option for you & your copay.

Key PB Fusion Features

- Member always pays the same or less
- No additional cost – you are automatically enrolled
- Cost savings target all generics & specific brands
- Member payment is applied to deductible & out of pocket costs
- Clinical safety & medication adherence
